MICHAEL WILSON
DIAMOND JEWELLERS

FOR AN UTTERLY DREAMY COMBINATION, SURROUND A SHIMMERING OVAL DIAMOND WITH A HALO OF BLUSHING RARE ARGYLE PINK DIAMONDS.

1. Elegantly Oval

Taking centre stage this year is the most elegant of shapes, the oval diamond. Offering romance and sophistication, an oval cut engagement ring radiates brilliance and style like no other.

An oval diamond has the fiery brilliance of the popular round brilliant cut diamond, casting light out in a glittering display, like millions of diamonds moving through water.

THE ELLIPTICAL SHAPE OF OVAL DIAMONDS
LOOKS AS STUNNING IN A HIGH QUALITY
DIAMOND AS IT DOES IN A SENSUALLY RICH,
VELVETY VIOLET-BLUE SAPPHIRE.

Aria

SUITING BOTH SIMPLE AND FANCY DESIGNS, OVAL DIAMONDS LEND THEMSELVES TO ENDLESS POSSIBILITIES INCLUDING THE MOST SOPHISTICATED SOLITAIRES, VINTAGE STYLES WITH SPRAYS OF DAINTY SIDE PEAR DIAMONDS, GLAMOROUS DIAMOND SHOULDERS OR ACCENTS OF RARE COLOURED DIAMONDS.

FINGERS.

Azena

Our popular Azena, with its side pear diamonds, has a deep connection with lovers. Couples looking for a trilogy ring, love the symbolism of Azena's three stones, representing the past, present and future of a relationship's journey.

Azena's side pear diamonds add to the flattering aspect of the oval centre stone, drawing attention to the hand. Pairing a centre oval pink sapphire or a ravishing ruby with Azena's side diamonds, accentuates each gem's beauty. Just like partners complement each other – this is where design can truly reflect the symbolism of togetherness.

2. Timeless Solitaires

The iconic solitaire is symbolic of some of history's greatest love stories. Diamond solitaire engagement rings have stood the test of time, with the brilliance of the diamond as their main attraction.

Classic six-claw settings are most popular, typically cradling a round brilliant cut diamond, making it appear almost like a floating drop of scintillating light.

Alea

THE UNCOMPLICATED BEAUTY OF A SOLITAIRE RING APPEALS TO THOSE WHO APPRECIATE A CLASSIC, CLEAN LOOK AND THE INTENSE SPARKLE OF A BRILLIANT CUT DIAMOND.

LOVINGLY CRAFTED, OUR SOLITAIRE DESIGNS WILL BE ONE OF OUR MOST SOUGHT AFTER STYLES IN 2023, WITH OUR SIX-CLAW ALEA BEING OUR ALL-TIME MOST LOVED ENGAGEMENT RING DESIGN.

Alea

ELEGANT AND TIMELESS, SOLITAIRES CAN BE COMPLEMENTED BY ANY WEDDING BAND - A SIMPLE BAND, A SOFT CURVE FITTED DIAMOND BAND OR SOMETHING A LITTLE MORE ELABORATE OR PERSONALISED.

3. *Passionately Pink*

The rarity and intriguing beauty of Argyle pink diamonds makes them one of the most coveted gems on the planet.

The rarity of pink diamonds increased overnight in 2020 when the Argyle mine in Western Australia, where 90% of the world's pink diamonds were sourced, ceased its production.

PINK DIAMONDS SPEAK OF ROMANCE, FEATURING SOFT BLUSH TONES. THEIR CAPTIVATING BEAUTY BRINGS AN ALMOST ETHEREAL FEELING TO AN ENGAGEMENT RING, WHILE ALSO EXUDING A SENSE OF LUXURY AND MYSTIQUE.

THERE IS SOMETHING INCREDIBLY ROMANTIC ABOUT THE SOFT PINK HUES OF THIS RARE AND DESIRABLE DIAMOND. OFTEN SET IN ROSE GOLD TO ENHANCE ITS COLOUR, PINK DIAMONDS CAN BECOME THE FEATURE OR THE ACCENT OF YOUR ENGAGEMENT RING DESIGN.

Fancy Cocktail

Because the supply of pink diamonds is almost over, much of what is available are smaller brilliant round pink diamonds. Designs that are most fitting for these precious gems are those that bring together white diamonds with pinks.

Halos, solitaires with diamond shoulders, three stone trilogy rings or art-deco pieces with intricate milgrain detailing, all work well for round pink diamonds. These designs allow the pink diamonds to feature, even though they are not always the largest stone in the design.

An Argyle pink diamond engagement ring is an exceptional choice indeed.

IN RECENT YEARS, WE HAVE HANDCRAFTED
MORE PINK DIAMOND ENGAGEMENT RINGS
THAN ANY OTHER TIME IN HISTORY. WE BELIEVE
THIS TREND WILL CONTINUE THROUGH 2023
UNTIL THERE ARE NO PINK DIAMONDS LEFT.

5. Bespoke Beauty

In 2023 we are expecting to craft more custom-made engagement rings than ever before. Lovers are seeking something unique, something that reflects their love, their creative and artistic expression, even their cultural heritage.

Many of our clients come to us with a vision of their dream engagement ring. Others come with a collection of inherited stones or jewellery that they'd like to remodel into an engagement ring.

TOGETHER WE SHAPE
MEMORIES, FEELINGS AND
DREAMS INTO BEAUTIFUL
BESPOKE PIECES THAT
CAPTURE THE CHARACTER
AND UNIQUENESS OF A
COUPLE'S LOVE FOR EACH
OTHER.

SOME COUPLES ARE DRAWN TO
A PARTICULAR STYLE,
DIAMOND CUT OR GEMSTONE,
OFTEN BECAUSE OF AN
EMOTIONAL OR SENTIMENTAL
CONNECTION.

Brides-to-be may have a particular diamond carat size or diamond shape in mind, but haven't yet discovered a style that makes their heart leap.

If you're looking to replicate the opulence of old-world charm with an art-deco cluster ring or if you'd like to mix trends to create a fusion of vintage daintiness that speaks to modern tones, our team can help create a ring that reflects your vision.

WE ARE LIVING IN A CULTURAL
ERA WHERE INDIVIDUALITY
AND DISTINCTIVENESS IS A
MARK OF OUR TIME.

GENDER-NEUTRAL DESIGNS
ARE ALSO EMERGING WITH
STYLES THAT ARE BOLDER,
SOMETIMES FEATURING BLACK
DIAMONDS OR COLOURED
DIAMONDS, WIDER BANDS,
LESS DAINTY AND CAN BE
WORN BY ANYONE.

AT MICHAEL WILSON DIAMOND JEWELLERS,
WE MATCH BEAUTY AND DESIGN WITH
PERSONALITIES, CREATING AN EXPRESSION
OF YOUR PASSION AS A TIMELESS SYMBOL OF
YOUR UNION.

Whether it be contemporary or classic, or antique inspired with irregular rose cut diamonds, perhaps an elaborate fancy cocktail style, our team will work with you to design a ring that is uniquely yours.

Creating symbols of love that are as unique and precious as your everlasting love is what we are passionate about.

Talk to us about your dreams xx
